AT LAST WEEK'S MEETING... There was good attendance with over 25 people enjoying the meeting. We had an AmTryke giveaway to a little boy who will definitely get some use out of it. He and his family were introduced to the Tryke at a demo site where he was able to ride around on a Tryke for therapy. The club also approved the recommendation of 14 qualified applicants for a scholarship for therapists at Texas Tech. The applicants have a good chance of receiving an AMBUCS national scholarship with our recommendation. Our speakers told us about the UMC addition that is being built. It will allow premature babies a better chance to live and also help prevent brain damage with some of the high tech equipment. The capacity will also increase dramatically. The meeting ended with a joke from the Caprock jester (Gary Johnson).
