AT LAST WEEK'S MEETING... There was not a meeting. I do not know why Joe Hoelscher wants the Flash to go out. There was no re-cap of last week's meeting. Therefore, I will talk about other things. Morry was installed as President on Saturday. I would tell you a synopsis of his plans, but I don't know because I could not attend.

In case you were wondering what was going on outside this morning it was called RAIN.

In recent events, rain has been more elusive than Osama Bin Laden.
