Harold Camping unsuccessfully predicted the Apocalypse in 1994, Sunday and has revised his prediction to this October 21.

AT LAST WEEK'S MEETING... We had a lot of entertainment. Glen Morton was our AMBUC of the Day and has volunteered to be the first AMBUC of the Day for Morry's term as President! Dan Lewis sold some car raffle tickets and did not get fined because our Sergeant At Arms was not there (we will get you next time Dan). Patti Kissko also passed around a sign-up sheet for the upcoming Get Fit Day and our AmTryke Ride/Rodeo. We will be giving away 3 Trykes and past recipients will be there to show off their rides (Good job Patti). There was a Ramp building request that a couple of members volunteered to organize. Jim Douglass of Fox Talk 950, TTU alumni association and former active member of Caprock AMBUCS was our speaker. He talked about some of the history of Caprock and how our club helped start the first Big Brothers/Big Sisters in the nation! He encouraged everyone to become a TTU alumni member and also listen to his liberal rants on his morning show from 6-9AM on 950 AM. The meeting ended with a clever joke from Gary that the slow members in the club had to have repeated.

He should read Matthew 24:36
