AT LAST WEEK'S MEETING... We had several members and guests show up to see our new President in action. As expected, Morry was very entertaining and we expect to see the same attendance for his second meeting. One of our Past Presidents, Mike Massengale, introduced our speaker and insulted him by telling his birthdate to everyone. Coach Billy Gillispie spoke for almost the entire meeting (he had detailed notes on the back of his paycheck). He was optimistic about the future of Tech basketball and the players he will get. We are optimistic that we can work together to make our tournament even better. No joke was told before the end of the meeting, but the membership didn't revolt, because they have had 12 months of awesome jokes and Gillispie was pretty funny. After the meeting, every Caprock member tried to become friends with the Coach.

Healthy Day Lubbock on Saturday went well. To the right is a pic of an AmTryke recipient and his family. They were very appreciative of the Tryke and he was thrilled to have a bike. The far right pic shows some of our hard-working members. Reagan Beck, Patti Kissko, Vic Bobo and Gary Johnson made this event a success.
