Creating Mobility and Independence For People With Disabilities

June 30-Danny Soliz speaking
July 7-Steve Warren speaking
July 20-23 - National Conference in Memphis
August 6 - Beach Party

AT LAST WEEK'S MEETING... I wasn't there, but heard we had good attendance for Karen Garza. She gave bond and facility updates and answered a bunch of good questions. She was appreciative of our tournament and the work we do. I also heard that our board meeting went well and the Foster*A*Life Beach Party request was approved.

Lubbock's hottest day ever was June 27, 1994 at 114 degrees. The second highest was June 26, 2011, when it reached 112. Membership has expressed appreciation that we have an indoor basketball tournament instead of a summertime soccer tournament.

David Bloodworth has announced that he is "Bringing Back Big Hat". All big hatters are encouraged to wear their big hats on the first Thursday of the month.

June 21st was the Summer Solstice for the Northern Hemisphere (also the Winter Solstice for the Southern Hemisphere). Sunrise was at 6:38 and sunset was at 9:01, providing 14 hours and 23 minutes of sunshine. We will slowly start losing sunlight time over the next few weeks and start accelerating to a point in September when we lose 3 minutes of sunlight a day. In December, we will receive under 10 hours of sunlight a day.

- Officers
- Morry Martinez-President
 - Missy Hopson-Vice President
 - Leslye Geistmann-Secretary
 - Joe Lunardon-Treasurer
 - Bobby Drum-Project Manager
 - Gary Light-Sergeant at Arms
