AT LAST WEEK'S MEETING... we had over 25 people at the meeting and had a couple of guests, with one guest joining the club! Our AMBUC of the Day was Bobby Clark (also part of the reason we had good attendance). Bobby said he was honored to be in the club and talked about his new job. For several years, he has been the scorekeeper/announcer at the Frenship gym and he likes to play Beatles music. John Laine announced that he needed help to build a new ramp that needs to be built over the weekend (Thanks Morry, Leslye and Gary for helping). Josh Dill mentioned that he has the T-Shirt design for the basketball tournament. We had an AmTryke giveaway to Roy and he actually rode his Tryke home. Roy's Tryke was strictly a hand-crank model. Charlie Holt introduced our speaker. Craig Wells is the Asst. AD for Basketball Operations. He spoke about the coaches and their philosophies. Craig also went down the roster and talked about each player. Tech has a very young team with only 3 returners. Visit www.texastech.com for tickets. Gary Johnson ended the meeting with a funny joke.

Don't forget to wear your big hat on Thursday

Why can't Aggy farmers raise chickens?

Golly gee, I don't know.

Cuz they plant the eggs too deep!

Why did they quit serving ice at the ATM cafeteria?

Boy howdy, I dunno.

The senior that knew the recipe graduated!
