AT LAST WEEK'S MEETING... we had 18 people in attendance and there was a 10+ minute standing ovation at the beginning of the meeting when it was announced who would run the meeting. The celebration ended when it was announced that TCU was joining the Big XII. Our AMBUCS of the Day was chosen because he forgot his Big Hat. Allen Gaines did remember that he has lived in Lubbock for several years and he assists people in estate planning as well as offering other financial services. Gary Johnson told us how the ramp build went and promised to have pictures on a big screen next week. Patti told everyone to sell ads to win a mystery prize (a new car). Sara Carleton volunteered to pick up some medical equipment that we will give to people that can use it. Leslye Geistmann Monopoly Molamphy announced that there will be a Tryke giveaway at the next meeting. Allen introduced Robin Shephard as our speaker. Robin is probably the most educated Medical Massage Therapist in the state. After getting her masters in English, she was hit by a drunk driver and had to undergo serious therapy to regain basic skills. She found her calling as a medical massage therapist to help people. Her number is 786-4130 if you would like to contact her. The meeting ended with several jokes.

MEMBERSHIP ROUND-UP

Until the end of October, all the meals for guests will be FREE. If a person joins from the visits during this three month period, the sponsoring member will receive a \$50 gift certificate to an upscale Lubbock restaurant. Please invite possible future members to enjoy our great speakers for the upcoming months.
