AT LAST WEEK'S MEETING... We had a great meeting last week with over 20 people in attendance. Cassie Johnston was our AMBUC of the Day. Cassie has 2 children with her younger child having special needs. She entered the medical sales field and subsequently joined AMBUCS because of her child. Cassie almost forgot that she has been married for several years. We then had our weekly speech from Charlie Holt. Charlie fined himself for telling everyone he is on Sports Radio 1340 from 7-9 every morning and he is also working for Flagship Credit Acceptance. To appease the crowd, Charlie also fined himself for speaking longer than he said he would. Our real speaker was introduced by a mustached stranger named Bryan Studer. Our speaker, Michael Adams, is the co-founder of Wicked Beaver Brewery in Wolfforth. He started homebrewing in college and when he moved back to the Lubbock area several years, he continued brewing. He and a friend decided to start a brewery that West Texans would be proud of and their wives would support. The meeting ended with a joke from Gary Johnson.

### Happy Birthday Gary Light!

The District Meeting was held at Patty Vannoy's house last week with 6 Caprock members in attendance. Plans are being made for a Morgan's Wonderland trip (see link in bottom right of this Flash) and also the Visibility Luncheon.

I hope we can get the government to give people jobs! Hope and Change!

GOVERNMENT? We don't need no stinkin' government!

Elect me and I will use my fortunes to hire all the unemployed!

UNEMPLOYED? We don't have unemployed people in Texas!
