AT LAST WEEK'S MEETING... we had 20 people in attendance last week. We had 2 guests and Vic's guest will be joining the club. Welcome Willy! Our AMBUC of the Day was Mindy Harendt. Mindy has only three vowels in her name and she is from Wichita Falls. She is a therapist that works at Covenant and she also works with our Tryke recipient. Mindy also announced that she is pregnant! Leslye read a thank you letter about a wheelchair and walker that we recently gave away. Josh and Morry gave an update on the tournament hotel and website. Charlie spoke "briefly" about some basketball ideas. A ramp build is also tentatively scheduled for the weekend of the 22nd. Our Tryke recipient was a 2 year old named Miles and he has Cerebral Palsy. Mindy works with Miles in therapy and uses a Tryke during therapy, but will take his new Tryke home. (Thanks to Sara for building the Tryke). We also are planning a Tryke giveaway next week. Allen Gaines introduced our speaker, Diana Dee. She has been in radio a long time and she spoke about her beginnings in Anton and then at Lathams. She spoke about how technology has changed the radio business. The meeting ended without a joke.

Habobb means strong wind in Arabic and it is a penetrating sandstorm or dust storm with violent winds, occurring chiefly in Arabia, North Africa, and India.
