AT LAST WEEK'S MEETING... we had about two dozen people in attendance last week. Josh Dill spoke about the upcoming 53rd annual FiberMax Caprock Classic. He announced that a Tournament Meeting will be held on the 7th at 6PM at Cherry Light and Ridley (1117 65th Drive). A specific agenda will be set and covered to make the meeting as efficient as possible. Joe Hoelscher announced that the quarterly social would be tailgating for ISU. Our speaker was introduced by Joe also. Chase Lane farms cotton, has a vineyard and works at Caprock Winery. He got his degree in biochemistry from Tech and now makes sure the chemistry part of winemaking goes as well as possible. The Club decided to play "Try to stump the wine guy with questions", but our speaker was easily the most smartest person at the meeting and had all the answers. It was encouraging to hear that the attributes of the High Plains were good for wine grapes. Good elevation, soil types, hot days and cool nights were ideal for many types of grapes. For behaving, several of the members were awarded bottles of wine. The meeting ended with a "joke".

BIG HATTERS REMINDER

Morry went to the Fall Conference in Shreveport last weekend. He had a good time, but didn't hit the jackpot.

Thanks go to Gary Johnson, Patti, Leslye, and Mark (Leslye's husband). They moved some equipment to the storage shed that we will give away.
