Notes from last week's weeks meeting... there wasn't a club meeting last week, but there was an exciting board meeting. Those notes via Dedra are below.

### Board Meeting Notes

Board met May 12 at Schlotzsky's on 19<sup>th</sup>. The board approved donations to High Point Village (\$600 to sponsor a team during the golf tournament), Foster A Life (\$1,250 for Hub City Beach Party), and Texas Ramps (\$2,000). The board also approved awarding an additional scholarship as 8<sup>th</sup> place was a tie. Gary Light brought before the board a request to move our IRS tax filing from a calendar year to our fiscal year; this was approved by the board. It was also discussed that we need to get the finance committee together to work on our budget for our next fiscal year starting June 2022. The board also voted to close the PO Box at the end of this year. There was talk about the signatures needed to write checks but decided to table the discussion for next time. The board also talked about visibility of finances and board meetings. It was decided that upon request financial information will be provided to club members and that notes from board meetings will be included in The Flash.
