Aug 3-Hub City Beach
Party at the Depot Patio
(members and members
families are covered by our
sponsorship)

Dec 26-28-Basketball
tournament

Notes from the last few meetings... about 20 people showed up to enjoy good Mexican food on the patio at Picoso's. It was good to see Karen Moeller out and about as well. Some housekeeping items were covered, including a swearing in of a new member (more details in the coming weeks). Updates were given on AmTrykes, including the \$25K order has mostly arrived and some are needed for the June 8th therapy training event at Milestones.

Chancy introduced our speaker. Shaun Keel spoke about Foster a life. They helped 1000 foster kids last year. She gave some examples of where the money goes. For example, this week she received requests for musical instrument lessons for two kids and singing lessons for another foster child. They also provide funds for sports camps and other items that are outside of normal funding by the State. Shaun might join and would be interested in also helping with scholarships.

With the board's recommendation, the club voted to do an ocean breeze sponsorship for Foster*A*Life's annual fundraiser of the Hub City Beach Party. The Hub City Beach Party will be August 3rd at the Depot Patio (608 18th) and all ages are welcome. All members, spouses and kids are covered with our sponsorship (tickets \$25/person at the door). The Beach Party is our quarterly social as well. The Land Sharks will be performing again (Jimmy Buffet tribute band). Feel free to wear shorts, an Hawaiian shirt and flip flops to this casual event.
