Dec 28-30-Basketball tournament with size tbd

Notes from last week's meeting... we only meet the 1st and 3rd Thursday!

AMBUC of the Day from about a month ago

After many demands from club members, here is the long-awaited AMBUC of the Day update on one of our newer members. Joe Doherty was a part of Caprock MOB basketball for several years. He came over to Lubbock Caprock AMBUCS after some club members invited him to a lunch meeting. Joe joined and immediately started helping in the tournament. He works at Tyler Technologies and uses those organizational and technological skills to improve the largest tournament in Texas. Sally, his wife, is thankfully also well organized and agreeable to help at the tournament. They have 3 children and are quite involved in Cooper school.
