Jan 21-Club Zoom meeting!

Dec 29-31-Basketball
tournament (actual, not
virtual)

Notes from the last meeting... we had a Zoom meeting last week. For those unable to attend, you were likely nominated to a position within the club. The voting will be held on the next Zoom meeting on January 21st, so please make an attempt to attend if you don't want to be the Sergeant At Arms in perpetuity. The author of The Flash missed two meetings and now members get to suffer through some extremely dry humor. In addition to assigning people to thankless duties, the meeting covered the online fundraiser, the 2021 basketball tournament, new membership, membership dues, resuming in-person meetings and other club related topics. The meeting ended early so everyone.
