**Aug 24-**Bball meeting at Red Zone at noon in the "Locker Room"

**Sept 1-** Club Meeting with a speaker

**Dec 29-31-**Basketball tournament

Notes from last week's meeting... members and a guest enjoyed good food. There was discussion about basketball, donations and club business. The speaker was given a short introduction and he discussed his background and current issues. Carl Tepper is the Republican nominee for the Texas House District 84 seat. There was discussion about the border, infrastructure and the current political climate. The meeting ended approximately on time.

There is currently a proposal to expand the highway system from Laredo through Lubbock and into Canada. Work has begun and several million have been spent on Highway 27 in Lubbock already.

The Governor has sent several busloads of illegal immigrants to Washington DC, New York City and other liberal cities. I fully support his efforts to allow the leaders of other areas to experience the fun of supporting an influx of people.

I'm really excited that I ordered a hamburger for lunch. I wonder if it comes with mustard or mayo. I should have asked for bacon on it. That would have really made my day. I wonder if it is too late to ask for bacon on it. Bacon just makes everything taste better. Mmmmmm, bacon.
