Notes from the last few meetings... We had a wide range of speakers. We also discussed a lot of basketball.

I bet the award winning
The Flash! author puts this
pic in The Flash! and
probably puts something
super witty and clever as
my thoughts.

In early 2024, most
Lubbockites will have the
option of purchasing
electricity from Reliant. I
wish there was a big event
happening at the end of
2023 that we could
sponsor and get our name
out in front of a lot of
local people.
