Inspiring Mobility & Independence

Calendar

- Feb 3-**Club Meeting with Director Chad Wheeler of Open Door speaking!
- Feb 17-**Club Meeting with a speaker!
- Aug-**National Conference in Birmingham Alabama
- Dec 29-31-**Basketball tournament

Notes from last week's meeting... members and one guest enjoyed an entertaining lunch. A few thank you letters were passed around, including one from High Point Village. I included one letter with a pic below. It was announced that all members are invited to hear Gary Boren speak at Downtown AMBUCS on the 28th. Brenda announced a national big hat raffle opportunity. For \$20, you can get a ticket. She then introduced Emmy award winner, Pete Christy. Pete had emotional stories about divorce, helping others, seeing his dying father and BUST! and RAB! (Buckle Up, Stop Texting) and (Remember Alex Brown). He also told stories about *I beat Pete* segments. Pete almost got killed by a shark and passed out when they pulled him out of the shark infested water. Pete told a story about how he tapped out 5 times in one minute in an MMA match. Pete was front row at a 92K concert at a Bon Jovi concert and then interviewed Bon Jovi the first week after returning to work.

Alström Angels Banquet update
Banquet is delayed. Prepare to standby.

This is another example of why we host the largest high school basketball tournament in the world.

On behalf of Noah Alvarado and our family we would like to say Thank You so very much for Noah's bike. It is going to help him so much to get exercise and to be active there are not enough words to say how Thankful we are for your organization for Blessing Noah with his bike.

Thank you
Noah, Alvarado Family

Man-A-Block Job Campaign Planned

A "Man-a-Block" employment campaign will be launched soon by the American Business club, it was announced at Hotel Hilton Friday at the luncheon meeting. The aid of other civic organizations here will be sought in the drive during the next two months.

The plan, as presented to the club by W. M. Peticolas, is to organize the residential districts of Lubbock into blocks and hire a man to work in each block for a period of eight weeks. Each home owner will contribute fifty cents a week toward the man-a-block's pay and he will be required to do at least two hours work on that man's premises. A block captain is to be appointed to supervise the work and a block treasurer will be named to collect the fees from the various citizens residing in the block.

The plan is working successfully in many other cities of the United States, Mr. Peticolas told the club in advocating its operation here. The board of governors of the club will announce organization of the campaign next week.

C. J. Long, entertained during the program with ukelele and vocal selections. Claude Roberts was in charge of the program.

Thanks to the offer from Downtown AMBUCS to Caprock members to join them in hearing Gary Boren speak on Friday. Included in this edition of The Flash! is an excerpt from National AMBUCS newsletter. Downtown AMBUCS was founded in 1930 and their fundraiser in 1932 was covered by the Lubbock Avalanche Journal. AMBUCS is celebrating 100 years of existence this year!

Meanwhile, in Canada

ALREADY TWO FEET OF SNOW HERE
